10

P&P Guide VS. Other Requirements

- ⚠ If a conflict exists between a policy described in the P&P Guide and a state regulation, administrative rule, or contract provision, then the provisions of the applicable state regulation, administrative rule, or contract provision prevail.
- CPRIT relies on the Uniform Grant Management Standards (UGMS) when none of the above-mentioned sources provide answers.

11

Where to find the latest P&P Guide

- Go to <https://cprit.texas.gov/>
- Click on "About Us" in the top header
- Click on the "Statute, Rules, and Grant Policies Guide" tab on the right-hand side of the page
- Scroll down to Grant Policy Guides section and click on "CPRIT Policies and Procedures Guide"

12

Locating P&P Guide Updates

- Refer to the Version Control section at the beginning of the document.
- The Version Control section outlines which sections within the P&P Guide received updates from the previous edition.

13

How to Use the P&P Guide

- Each chapter is broken up into sections with descriptive headings. For the most part, the P&P Guide is organized in a chronological order to follow the life of a grant from application to close out.
- To find specific terms within the P&P Guide:
 - Use "Ctrl + F" on a PC
 - Use "Command + F" on a Mac

14

Receive Notification of Updates

Subscribe to CPRIT's listserv (if you don't already receive CPRIT emails) by clicking on "Sign Up for Our Newsletter" in the footer of the CPRIT website.

15

Administrative Rules

16

Rulemaking Process & Importance

- As a state agency, CPRIT must follow the specific requirements of the Administrative Procedure Act (Tex. Gov't Code Chapter 2001) when the agency proposes new rules or changes to existing rules.
- Many grantee requirements are found in CPRIT's administrative rules, which is why it's important for grantees to be familiar with the rulemaking process.

1. Restriction on Communication Regarding a Pending Grant Application

- Grant applicants and peer review members are prohibited from communicating with one another regarding the substance of a pending grant application from the time CPRIT begins accepting applications until the applicant receives final notification of an outcome.
- The proposed rule change would allow the Product Development Review Council Chairperson to assign a peer reviewer to participate in the due diligence interview during the due diligence stage of grant application review.
- All grant applicants that reach due diligence review will be subject to this proposed exception and may communicate with the assigned SRPP member without violating § 702.19.
- [TAC § 702.19](#)

22

2. CPRIT Acknowledgement

- Grantees are required to acknowledge CPRIT funding in any publication that reports information developed with CPRIT grant funds.
- The proposed amendment requires grantees to include the grant ID number(s) when acknowledging CPRIT funding, effective September 1, 2021.
- [TAC § 703.10](#)

23

3. Minimum Level of Effort Requirements in RFA

- CPRIT may specify the minimum level of effort, if any, of a Principal Investigator, co-Principal Investigator, or other specified key personnel must maintain for the grant project in a Request for Applications.
- [TAC § 703.3\(b\)\(4\)](#)

24

4. Reimbursement of Professional Association Fees

- Professional association membership fees or dues for an individual employed by a grant recipient are not allowable for reimbursement.
- However, membership fees or dues paid by the grant recipient for the entity's membership in business, technical, and professional organizations may be an allowable expense

No Cost Extensions (NCE)

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS71

71

NCE

- No Cost Extensions- Decisions regarding NCE are based on several factors including the documentation of progress and documentation that the work proposed for the NCE is consistent with the initial award
- CPRIT will not approve a NCE without a PI level of effort appropriate to scope of work being conducted
- If you receive a no-cost extension, you must complete a PLOE for the extension time period
- For NCE's, the final report date changes but an additional annual report is required as well as quarterly reports until the end of the contract

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS72

72

NCE

➤ **No Cost Extensions**

➤ Include time, process and justification requirements

➤ PI needs to have measurable level of effort during an approved NCE

➤ In order to receive a no cost extension, a grantee must be in good fiscal and programmatic standing

➤ No automatic approval of a grantee's first no cost extension request

➤ Must be submitted at least **30 days prior** to contract termination but not more than 180 days prior

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS

73

73

NCE

For No Cost Extensions (NCEs) where the grantee is requesting more than a 6 month NCE, the justification should include the increased number of months in the first sentence.
